

FROM **BLOOM** TO **BOOM**:
MEDICINAL HERBS FOR POLLINATOR
AND HUMAN HEALTH

Friday, June 16th
9am-noon

**NMSU-Sustainable
Agriculture Science
Center at Alcalde**

371 Country Rd. 40
Alcalde, NM

Registration starts at 8:30

We will kick-off in Alcalde with talks and then move to Todd Bates' farm in Embudo to view his oregano de la sierra field and the bees feeding there. NMSU Researchers and Guests will discuss various projects regarding medicinal plants, honeybee health and behavior, clinical research with medicinal honey, and native pollinators.

**For more information or to register
call Anna at 505-852-4241 or Augusta
at 505-852-2668**
